| Tell Us About Your Ide | a | | | | | | | | |
| Please keep your description under 200 words and include the following information: | | | | | | | | | |
| how your idea would save energy; | | | | | | | | | |
| which types of customers would benefit (e.g., commercial and industrial, small | | | | | | | | | |
| businesses, multifamily, income-eligible customers); | | | | | | | | | |
| your desired role in implementing this idea; | | | | | | | | | |

Please email your proposal to EEDMPilots@conEd.com. Please link to or attach case studies,

and case studies, testing, and other documentation demonstrating the value of
