Meet Lucy and Mateo. They are sister and brother. They have been learning about energy safety. They want to help you be safe too!

**Directions:** Cut and fold the square below to make a book. Complete each sentence with a word from the word box. Write the word on the line. Then color the pictures and read the story with your family.

**Word Box:** call  grown-up  eggs

---

1. A grown-up should get everyone away from the smell. Then the grown-up should tell the gas company or 911.

2. Natural gas smells like rotten **eggs**.

3. If you smell gas, tell a **grown-up** you know.
