

Commercial & Industrial Clean Heat Program

2024 Clean Heat Bonus Incentives

How to Qualify and Apply for Bonus Incentives

All Clean Heat Technologies (excluding ground source technology)

Key Deadlines

- Submit your project application package between March 1 - May 31, 2024.
- Complete installation and submit required documents by October 1, 2024.
- Pass post inspection by November 1, 2024.

Category	Measures	Rate Unit	Existing Buildings		
			Base Incentive Rate	Bonus Incentive Rate	Total Incentive Rate
4	Full Load Space Heating	\$/mmbtu	\$120	\$75	\$195
4A	Full Load Space Heating – Tier 1	\$/mmbtu	\$120	\$75	\$195
	Full Load Space Heating – Tier 2	\$/mmbtu	\$150	\$75	\$225
6	Hot Water Heating Applications	\$/mmbtu	\$200	\$75	\$275
10	Partial Load Space Heating	\$/mmbtu	\$70	\$75	\$145

Ground Source Technologies

Key Deadlines

- Complete installation and submit required documents by September 1, 2025.
- Pass post inspection by November 1, 2025.

Category	Measures	Rate Unit	New Construction			Existing Buildings		
			Base Incentive Rate	Bonus Incentive Rate	Total Incentive Rate	Base Incentive Rate	Bonus Incentive Rate	Total Incentive Rate
4	Full Load Space Heating	\$/mmbtu	\$125	\$25	\$150	\$200	\$100	\$300
4A	Full Load Space Heating – Tier 1	\$/mmbtu	\$125	\$25	\$150	\$200	\$100	\$300
	Full Load Space Heating – Tier 2	\$/mmbtu	\$150	\$25	\$175	\$225	\$100	\$325
6	Hot Water Heating Applications	\$/mmbtu	\$125	\$25	\$150	\$200	\$100	\$300

Note: All projects are subject to the Clean Heat Program's incentive cap; 50% of project cost or \$1M, whichever is lower.
