

## Instant Lighting Program

# Eligible Products & Incentives

Get limited-time bonus incentives for high-efficiency ENERGY STAR® & DesignLights Consortium® LED lamps, fixtures, and retrofit kits. Ends November 30, 2024.

Take advantage of a 15% bonus on incentives for all measures (except TLEDS) in qualified sales submitted June 1 - November 30, 2024.

Bonus incentives apply only to eligible products sold during that time. Products sold before June 1, 2024, will receive incentive rates that were in effect at the time the sales were made. No exceptions will be granted and all projects are subject to post inspection.

The **Qualified Product Lists** (QPLs) contain current product information and model numbers for eligible lamps, fixtures, and retrofit kits. Prices and product names in the **Instant Lighting Participating Contractor Handbook** and other supporting documents are intended as a reference and are not meant to replace the QPLs.

Product Category	Certification	QPL
LED Lamps, Fixtures & Retrofit Kits	ENERGY STAR	<a href="https://energystar.gov/productfinder/product/certified-light-bulbs">energystar.gov/productfinder/product/certified-light-bulbs</a>
LED Lamps, Fixtures & Retrofit Kits	DesignLights Consortium (DLC®)	<a href="https://designlights.org/qpl">designlights.org/qpl</a>

### Incentive Levels:

Levels are per unit and may change based on lighting market trends and program performance. Pricing may vary by manufacturer and/or distributor. Please validate on the **Instant Lighting Distributor Portal** or contact the program team if you are uncertain of a product’s eligibility or incentive level. Any lighting measure not listed below is not currently eligible for incentives through Con Edison’s **Instant Lighting Incentive Program**.

- Pre-approval is required from the Instant Lighting Program team before any fixture or retrofit kit sale can be sold.
- All measures are a one-to-one replacement and must match the categories below:
