

LICENSE SURVEY APPLICATION (Attachment or Removal)

Addendum to Exhibit A

Orange and Rockland Utilities, Inc. Permit Number _____

In accordance with the terms and conditions of the License Agreement between Licensor and Licensee, dated as of _____, application is hereby made for a license to make attachment to the Distribution Poles which are indicated on the attached Pole Application Attachment Survey, Exhibit A. Each Application is limited to a maximum of 200 Poles with complete descriptions of all facilities, including quantities, sizes, and types of cable and equipment to be installed. The Application(s) have been prioritized to reflect the order in which the Applications should be worked.

THE LICENSEE AGREES NOT TO ATTACH TO LICENSOR'S JOINT OR SOLE OWNED POLES UNTIL MAKE-READY WORK IS COMPLETED BY ALL PARTIES.

In accordance with the Agreement, each Pole will be subject to an Annual Attachment Rate to be pro-rated by licensor at time of licensing. Fees and rates are subject to change.
