WITNESSETH:

WHEREAS, Licensee desires to attach **security cameras and cable for its private system** on certain utility poles, located in [REDACTED] County which are owned or jointly owned and/or used by Licensor and others, (the “Poles”) which Poles will be designated in Exhibit A attached hereto, as such may be amended from time-to-time.

WHEREAS, Licensor is willing to permit, to the extent it may lawfully do so, the attachment of Licensee’s [REDACTED], provided such attachment does not interfere with the operations of Licensor, or any other user of the Poles;

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions herein contained, the parties hereto do hereby covenant and agree as follows:

1. No use, however granted, of the Poles or payment of any fees or charges required under this Agreement shall create or vest in the Licensee any ownership or property right in the Poles, and nothing contained herein shall be construed in any way as indicating that Licensor has conveyed to Licensee any ownership or property right in the Poles.
2. Nothing contained herein shall be construed as affecting any rights previously conferred by Licensor by agreement to others to make attachment to the Poles, and Licensor shall continue to have all rights which it now possesses to grant such rights.
3. The Poles are and will continue to be used, operated, and maintained primarily for the purposes of Licensor, and Licensee’s use will be secondary.

4. Licensee will use the equipment attached to the Poles solely for the purpose of its system.
5. Licensee shall, at its own cost and expense, maintain its attachments to the Poles so as to provide a minimum of 40 inches of clearance between Licensor's and Licensee's attachments and a minimum of 6 inches of clearance between Licensee's attachments and the attachments of any other user of the Poles.
6. Licensee shall, at its own cost and expense, maintain its attachments to the Poles in a safe condition and in good repair.
7. Licensee shall exercise special precautions to avoid damage to the facilities of Licensor and any other user of the Poles, and hereby assumes responsibility for any and all loss resulting from such damage caused by the acts, omissions or facilities of Licensee, its employees, contractors, or agents. Licensee shall make an immediate report to Licensor's Manager - Risk Management, c/o Orange and Rockland Utilities, Inc., One Blue Hill Plaza, Pearl River, NY 10965, of any such damage and shall reimburse Licensor and any other user of the Poles for all expenses incurred in repairing any such damage. The requirements of this paragraph are in addition to and not in limitation of the requirements set forth in Paragraph 13 below.
8. Licensee shall not, at any time, make any changes in the location of the attachments on the Poles without Licensor's prior written consent, except in cases of emergency in which case oral permission must first be obtained from Licensor's Service Operations Supervisor (Radio Dispatcher) at 845-352-6046, Spring Valley, NY. Such permission shall be confirmed in writing within five days of the time oral permission is given.
9. All Licensee attachments permitted by Licensor shall be tagged by Licensee in a manner specified by the Licensor such that Licensor can identify Licensee's attachments at ground level.,
10. At Licensee's expense, Licensor shall perform periodic inspections of Licensee's attachments licensed by Licensor, provided, however that Licensee shall not be responsible for the costs of more than one such inspection per year. The fees associated with the periodic inspection shall be paid by Licensee, who will be billed at Licensor's prevailing billing rates, as the same may

be adjusted from time-to-time. A copy of Licensor's current billing rates is attached hereto as Exhibit B. Licensor will provide the results of said inspections in writing within 30 days of each inspection, and Licensee may rely on the results of such inspections in connection with documenting compliance with the terms of this Agreement. The discovery of any unauthorized attachments will result in the immediate termination of this License Agreement and will require removal of all attachments within 30 days of notification of termination by Licensor.

11. Licensee shall pay Licensor a pole attachment fee each month per attachment for (i) sole-owned electric Poles and (ii) joint-owned Poles on which the attachment is in Electric's custodial area. Where there are joint-owned poles and no custodial area, the pole attachment fee will be the sole-owned pole fee proportioned by the pole ownership ratio. The annual attachment fee shall be payable in advance and is due in January. The pole attachment fee shall be reviewed and re-determined annually and shall be adjusted and effective as of January 1st of the then current year.

In the event any suit, claim or proceeding, whether groundless or not, within the intendment of this provision is brought against Licensor, Licensee, upon notice from Licensor, shall defend the same at Licensee's own expense. This provision shall survive the termination of this Agreement.

If Licensee fails to remove its attachments within 30 days of termination, Licensor may remove the attachments and charge Licensee with the cost of such removal.
